Six homes. One quiet standard of *living.*

Set within the established rhythm of Teshie Nungua Estates, Urban Six Residences brings together considered architecture, natural materials and daily comfort in equal measure.

Every line is drawn with intention — from timber-clad facades to the private gardens that soften each entrance. Six homes, built for the way you actually live.

Street View

Finished for daily life, styled for how you host.

Warm, tactile materials and an uncluttered palette carry through every room — designed to feel considered, never cold.

ADDRESS

Teshie Nungua Estates

A gated address along Accra's eastern corridor — close to the everyday rhythm of the city, yet set back from it. Urban Six sits within a quiet, established residential enclave, within easy reach of the coast road and the city's business and social districts.

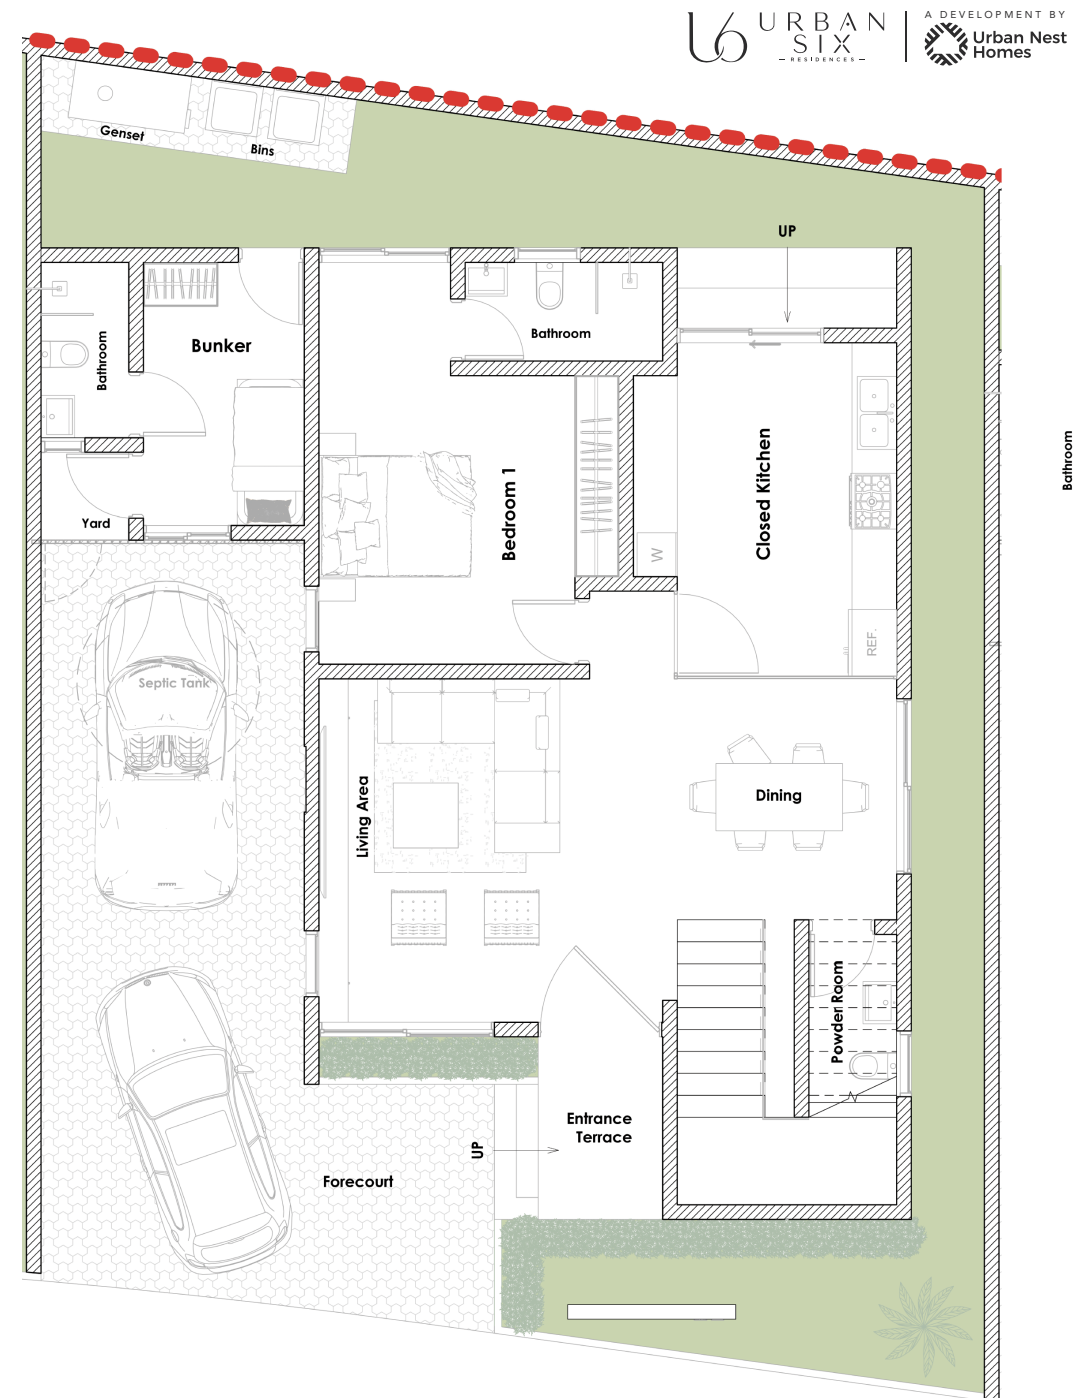

FLOOR PLANS

Ground Floor (115m²)

The ground floor speaks in a clear, deliberate language of movement, access, and purpose. Spaces are arranged with intent, entrances and communal zones set into place to guide a natural flow.

It opens gently to the outside, making use of every edge, every line, with nothing wasted and nothing forced.

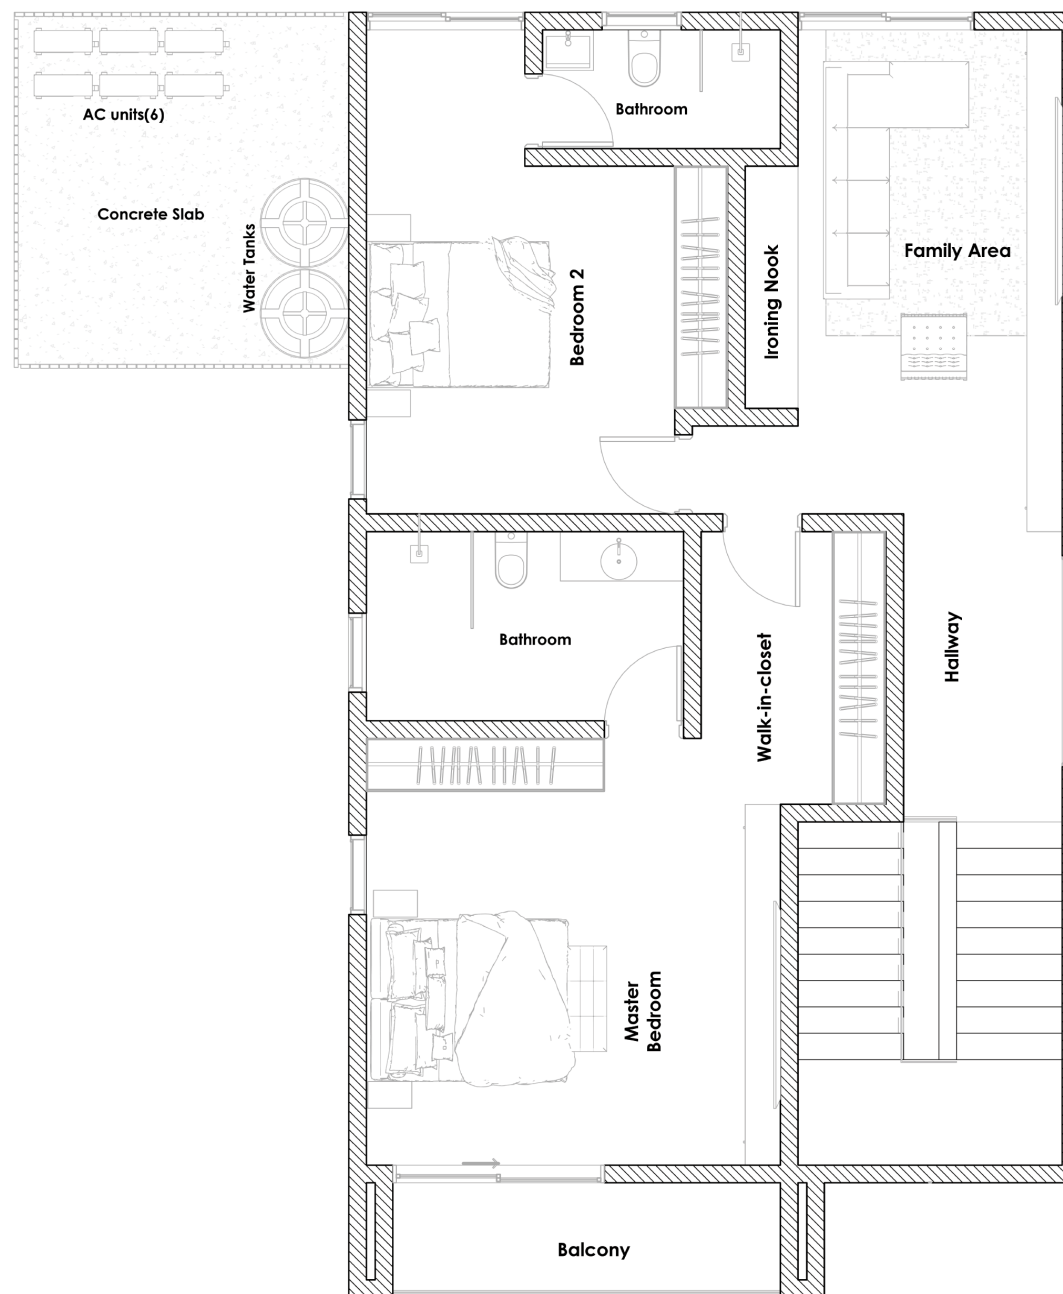

FLOOR PLANS

First Floor (120m²)

The first floor continues the composition, where private and shared spaces are set in quiet balance.

Air moves through with ease, and circulation follows a clear, unforced path, shaping an environment that feels measured, calm, and complete.
